PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance

1 Special Condition #14: You shall not associate with known street gang members and gang affiliates.

Supporting Evidence: Noe Campos associated with a known gang member on April 20, 2012.

On April 25, 2012, the undersigned officer received a copy of an incident report from the Yakima Police Department (case number 12Y015403) which noted that on April 20, 2012, the defendant met two females while at the Southeast Community Center. The defendant allegedly befriended them and took them to a friends residence who is a documented gang member. The victim then stated the defendant began drinking and provided them with alcohol. She then advised that after feeling intoxicated she went to rest in one of the bedrooms and the defendant followed her and removed her underpants. The victim, however, was unable to remember if the defendant had sexually assaulted her. The victim provided officers with a description of the defendant and said he was wearing an ankle bracelet.

Later that same day the defendant reported for an office visit and was questioned in regard to the above incident. The defendant initially denied everything but after a few minutes, he admitted to meeting the females, drinking alcohol, and having contact with a known gang member. The defendant denied sexually assaulting anyone.
